MEMORANDUM FOR: C/LA

VIA: [REDACTED]

Associate General Counsel  
Litigation Division, OGC

FROM: [REDACTED]

Assistant General Counsel  
Litigation Division, OGC

SUBJECT: U.S. Attorney's Office Terminates Investigation  
Into Letelier Assassination

The U.S. Attorney's Office advised us Friday, 6 December 1991, that the Agency may cease its efforts on behalf of that office to locate information relevant to the above investigation. Because the Chileans are going to prosecute Contreras and Espinosa, the United States most likely will not be able to extradite these men for their alleged involvement in the Letelier assassination. Therefore, the U.S. Attorney's Office anticipates no further action in the case.
